Parent or Guardians Consent for a person under 16 to be transported to, and participate in, morris dancing activities with Ickniel Way Morris Men.

Dear Mr. & Mrs.....

Your son,, has expressed an interest in participating in our morris dancing practices and performances.

Because he is less than 16 years old, under The Child Protection Act, we need your written permission for him to attend and you must nominate someone to be responsible for him whilst he is involved with our activities and in transit.

Without your permission we are afraid we shall have to refuse access to our events.

Yours sincerely
